Show Committee:

July Show: Diane Royce was wonderful to work with as the judge of the July show. It is recommended that she is asked back. All of the paperwork has been submitted for this show.

August Show: Sunday August 14 at Sawda Equestrian Center with Beth Anderson-Ness presiding as judge. Expect 58 rides. Sawda needs work prior to the show. Food is a challenge at this show because Shelley Green cannot be at the show. Carrie is handling the details.

Rules: Karen Walling has done a fantastic job reviewing rules and making sure that the LPSDC is in compliance. She has offered to play a larger role next year which is greatly appreciated.

Show Venue for 2017: Carrie has talked with Sawda and locations are still under review.

Volunteer Hour Notebook: Sharon will work on the form and make sure that sign-off is added to show management duties.

Clinics: No report

Banquet:

Management: Ann Montgomery and Cheryl Rife have offered to organize the Awards Banquet.

Venue: Sandra will investigate some options for the banquet including Wesley Inn; McCormick Woods and Canterwood Golf Club.

Awards: We may want to consider going to 8th place for awards.

Old Business:

Sponsorship of Summervale Shows: We were mentioned as part of the announcements and thanked for our contribution.

WSH: Mary will represent Dressage in making sure that the rule for awards is 70% of the highest test at the level rather than 70% of one test before requiring a rider to move on to the next level at the next meeting.

New Business:

USDF Region 6 Finals: Sandra moved and Carrie second to approve \$200.00 to be used for sponsorship of Region 6 Final classes. Motion approved unanimously. We need to figure out who should be contacted for sponsoring as part of regionals.

Centurion Ride: Everyone congratulated Mary Brady on a successful Centurion Ride as part of the Summervale Festival on Saturday, August 5th. She rode 29 year old Shatar (Arabian) and brought the judge to tears and everyone hooting and clapping to her beautiful ride. It is an honor to have her as such an active member in our club!! Mary will need to write a summary of her life as a horse woman and it will be included in the information on the USDF website (<http://www.dressagefoundation.org/century-club/>).

She joins Eugene Dueber and VP Medley (2001) and #16 on the list and Herman Aguayo and Sa Wasim+ (2013) who is #139 on the list as LPSDC members who are part of this elite group.

Meeting adjourned at 8:36 p.m. Next meeting scheduled for Tuesday, September 13, 7:00 p.m. at Schugren house.
